

A4 三つ折リーフレットスタンド  
パソコンサポートせんだいみやぎ・作

This is a net for an A4 three-fold leaflet stand. The net consists of several interconnected rectangular and trapezoidal shapes. At the top, there is a large trapezoidal shape with a central vertical line and two side flaps. Below this is a horizontal rectangular strip. At the bottom, there is another horizontal rectangular strip with two trapezoidal flaps extending downwards. The entire net is designed to be folded into a three-dimensional stand that can hold an A4 leaflet.
